Ma'am, Sir

Having a degree in accounting and finance and a master degree in business economics, finance and banking, I am particularly interested in the position of Head of department accounts payable and receivable (Chef de service des comptes créditeurs et débiteurs).

I am asking you because I know that in a company with a reputation such as yours, I could acquire skills and practices from professionals recognized. During my training, work experience and my experience in FINBANK I have acquired knowledge of the financial institution.

Open to others, anxious to improve myself, I can adapt and have a sense of responsibility, organization and discipline, practicing two foreign languages, I have a deep desire to succeed my employability, thereby my growth both personally and within society.

I know I can be a key player on your team, and I would like the chance to prove that to you. I look forward to meeting with you and bringing my talents to your firm. Thank you for your time and consideration.

Sincerely,
